TRANSMITTAL OF CORRECTED FORMAL DRAWINGS (IN PART)

In response to the "Response to Rule 312 Communication" mailed August 1, 2005, Applicants enclose herewith corrected Drawing sheets for FIG. 8b and FIG. 10c. Applicants thank Examiner Moran for courtesies extended during telephonic discussions concerning the enclosed figures on July 27, 2005.

In essence, concurrently with payment of the Issue Fee, June 3, 2005, Applicants submitted corrected drawings in response to a request from the Examiner, and also replacement formal Drawings. Examiner Moran identified clerical errors in the FIGs. 8b and 10c filed on June 3, 2005 and therefore did not enter them into the file of the instant application. Since the errors were of a clerical nature, Applicant now respectfully requests an opportunity to correct such errors and, therefore, presents corrected FIGs. 8b, and 10c, herewith.

FIG. 8b has been corrected to show bar-chart legends that match the form of shading found in originally-filed Figure 8.

FIG. 10c has been corrected to show the boxed portion of SEQ ID NO: 6 ('ILHRL') as found in originally-filed Figure 10.

Therefore, the corrections to both drawings re-introduce matter presented with the corresponding drawings as filed and, accordingly do not introduce new matter into the instant application.

Accordingly, please substitute the enclosed 2 sheets of replacement figures for Figs. 8b and 10c for the corresponding drawings filed on June 3, 2005.

Applicants also enclose herewith a copy of the Revocation and New Power of Attorney, and transmittal thereof, as filed in the instant application, August 2, 2005, as evidence that the undersigned has authority to prosecute the instant application.

Applicants believe that no fees are owing with this submission, however, should the Office determine otherwise, the Commissioner is hereby authorized to charge Applicant's Deposit Account No. 06-1050 for any charges or credits.

Respectfully submitted,
